

Working together to deliver the  
right care, in the right place,  
at the right time.

## June 2014

Welcome to the second edition of the Integrated Care Partnerships eZine.

Integrated Care Partnerships (ICPs) are a key element of Transforming Your Care, and are a new way of working for the health service in Northern Ireland to transform how care is delivered. We hope you enjoy reading this eZine and encourage you to forward to others who might be interested by clicking on the envelope icon at the bottom of this eZine.

You can also keep up to date on the latest ICP developments on the [website](#).

### Health Minister commends ICP progress

Minister Poots addressed and met with members of the 17 ICP committees at a regional ICP workshop on 4 June 2014.

## ICPs in focus

ICPs are putting in place a number of great initiatives to deliver better outcomes for patients, clients, carers, users and families.

In this edition the focus is the 4Ts diabetes education campaign in the Southern ICP area.
